By executing this Form, the Client confirms that each individual listed herein as a Banking Contact is authorized to perform the designated activities on behalf of the Client. The Bank shall be entitled to rely on the authorities granted until written notice of any change is received, in accordance with the notification procedures set forth in the Account Terms.

1. SCOPE OF AUTHORITY

The banking authorities designated apply to all Accounts and Services maintained by the Client at the Bank unless specifically limited herein. Authorized Banking Contacts may exercise designated authorities without further approval from the Client's Authorized Signers, subject to applicable transaction limits.

2. INDEMNIFICATION

The Client agrees to indemnify and hold harmless the Bank from any loss, claim, damage, or expense arising from the Bank's reliance on the authorities and contact information provided in this Form, provided the Bank acts in good faith and in accordance with its standard operating procedures.

3. NOTIFICATION REQUIREMENTS

The Client is responsible for promptly notifying the Bank of any changes to the individuals authorized herein, including but not limited to: (a) revocation of authority, (b) changes to contact information, (c) changes in role or title, and (d) termination of employment or engagement. Notifications must be submitted using the amendment procedures described in Appendix E.

4. DUAL CONTROL REQUIREMENTS

For payment requests above the designated threshold, the Bank may require confirmation from a second Authorized Banking Contact. The Client acknowledges that such dual-control requirements are implemented for security purposes and agrees to maintain a minimum of two individuals with Payment Request authority at all times.

Banking Contacts designated with Payment Request authority may submit payment instructions via the Bank's approved secure channels. All payment requests are subject to the Bank's standard verification procedures, including but not limited to: callback verification, multi-factor authentication, and transaction limit controls.

### RECORD KEEPING

The Bank maintains records of all instructions received from Authorized Banking Contacts for a minimum period of seven (7) years. The Client acknowledges that such records constitute prima facie evidence of the instructions provided and the authorities relied upon.

### CALLBACK PROCEDURES

Banking Contacts designated with Callback authority may be contacted by the Bank to verify payment instructions. The Client agrees to ensure that designated Callback contacts are available during business hours and reachable at the telephone numbers provided herein.

All Banking Contacts are subject to the Bank's Know Your Customer (KYC) and Anti-Money Laundering (AML) verification requirements. The Client represents and warrants that all individuals listed herein are duly authorized representatives of the Client and that the Client has conducted appropriate due diligence with respect to each such individual.

The Client confirms it has obtained all necessary consents from the individuals listed herein for the processing of their personal data by the Bank.

Any dispute arising from or in connection with this Form, or the breach, termination, or validity thereof, shall first be subject to good-faith negotiation between the parties. If such negotiation fails to resolve the dispute within thirty (30) days, the parties agree to submit the dispute to mediation administered by a mutually agreed mediator.

GOVERNING LAW

This Form and any dispute or claim arising out of or in connection with it shall be governed by and construed in accordance with the laws specified in the Master or Global Transaction Banking Agreement between the Client and the Bank. The parties submit to the exclusive jurisdiction of the courts specified therein.
